## About the tours:

### **Sultans of Spice Walking Tour**

This is a walking tour that is not strenuous but is extremely interesting. Discover the Arabic district of Singapore and learn about the Sultans who once ruled here before the country became a British colony.

Your friendly, English-speaking Guide will give you a good understanding of the areas' history, discover remnants of the indigenous culture, visit an ancient burial ground and take you to the Sultan Mosque. Many people do not know that Singapore was sold to the British for 60,000 Spanish Dollars. On this tour you'll find out about the man who did just that as well as the man who forced him to. There are so many fascinating places to be found on a walking tour, and this tour takes you to many of them. It is an area where traditional Malay blends and a distinctive Islam touch have become one.

### **Singapore City Guided Tour with Botanical Gardens**

This tour showcases the history, multi-racial culture and lifestyle that is Singapore. At Little India, be greeted by myriad colours of aromas the moment you arrive. Walk past shops along the five-foot way offering a variety of exotic fruits, spices and flower garlands. Continue with a drive past the civic and colonial district and see Singapore's unique Marina Bay. Proceed to Chinatown to explore the Chinese influence on the city. Find out why it is home to one of Singapore's oldest Hindu temple. Our final stop is to Singapore's first UNESCO World Heritage Site - the Singapore Botanic Gardens - and walk through the National Orchid Garden which boasts a sprawling display of 60,000 orchid plants.

### **Gardens by Bay Tour**

An iconic Singapore destination, Gardens by the Bay is undoubtedly at the top of every visitor's itinerary to the city. Its waterfront gardens (Bay South, Bay East, and Bay Central) and conservatories (Flower Dome and Cloud Forest) as well as the newly opened Sun Pavilion, feature some of the most incredible man-made structures built to house flora and fauna from all over the world. Your Singapore Gardens by the Bay ticket gives you full access to the two conservatories. Learn about the powerful interconnectedness of ecology, see the tallest indoor waterfall, the walk amid the Supertree Grove. With countless attractions for both grown-ups and children, Gardens by the Bay in Singapore will certainly give you a day worth spent!

**Please note: The tour descriptions are intended as an indicative guide only. Travel by nature is unpredictable. Weather patterns, road conditions, public holidays, travel restrictions and many other factors may necessitate itinerary changes that are ultimately for the client's benefit. It is essential that clients are flexible in this regard.**
