We work closely with tour operators that have received the Safe Travels stamp by the World Travel and Tourism Council (WTTC), which enables travellers to recognise companies around the world that have adopted health and hygiene global standardised protocols.

Travel requirements for this tour:

The tour operator is implementing a number of enhanced health and safety protocols on their trips. Travellers may be asked to produce a negative PCR test or negative Antigen test in order to embark on our escorted tours, regardless of vaccination status. Each traveller will be required to bring their own mask and wear it at required times. This helps to ensure the safety of our travellers and staff.

Adequate Travel Insurance

All tour travellers are required to show proof of adequate travel insurance before embarking on tour. Your policy of insurance is required to cover you and your party against the cost of cancellation by you; the cost of assistance (including repatriation - medical and non-medical) in the event of accident or illness; loss of baggage and money; protection against any Covid-related claims and other expenses.

Please Note: If you cannot provide proof of adequate travel insurance prior to the start of your tour, you will not be permitted to embark on day one.

Travel Crew are Trained and Here to Help

The travel crew, which includes your tour leaders and drivers, have previously been trained for important health and hygiene needs while on tour. In addition to this, the crew will have received additional, in-depth health and hygiene training prior to embarking on any future tours. This training is in line with guidelines set out by public health authorities.

The team is regularly reviewing government tourism and travel updates and ensuring that tours run in accordance with the prevailing public health advice, and recommendations by the World Health Organisation, the Centres for Disease Control, the European Centre for Disease Control, and the Public Health Agency of Canada. We are making this adjustment to the "new normal" of travel as stress-free as possible!

These guidelines are subject to change as the global situation evolves. The enforcement of certain measures (i.e. social distancing and mask-wearing) will vary in different regions. We will defer to local health authorities for best practices in their region. Check with your home country's policies on testing and post-trip self-isolation as well as the latest travel advisories. It's your responsibility to ensure you meet any travel requirements prior to booking and departure.
