New Safety Measures

The wellbeing and safety of our passengers and staff is always a priority, especially as we adjust to a new world for travellers. My Travel Experience is committed to ensuring your peace of mind with customer-friendly booking practices and enhanced health and safety standards on our trips.

We work closely with tour operators that have received the Safe Travels stamp by the World Travel and Tourism Council (WTTC), which enables travellers to recognise companies around the world that have adopted health and hygiene global standardised protocols.

Travel requirements for this tour:

The tour operator is implementing a number of enhanced health and safety protocols on their trips. These additional precautions have been introduced to help prevent the transmission of Covid-19 and to help ensure that travellers and the tour team are as safe and protected as possible while on tour.

Negative PCR or Antigen Tests

All travellers, regardless of their vaccination status, will be asked to produce a negative PCR test or negative Antigen test in order to embark on our escorted tours. This helps to ensure the safety of our travellers and staff.

Self-monitor for Covid-19 symptoms

We request that all travellers self-monitor daily before the tour for any COVID-19 related symptoms. We advise all travellers to check their home country's rules and regulations regarding the quarantine period upon return from your tour as well as any requirements they may have before you travel.

Face masks and sanitising

Each traveller will be required to bring their own mask and wear it at all (required) times. We ask that our travellers familiarise themselves with the best way to use, clean and store face masks (especially if they are reusable). Travellers should bring their own face masks for use throughout the journey as well as spares. Always remember to practice good hygiene and wash or sanitise your hands frequently. Travel tip: Plastic bags are good for storing used face masks.

As per regulation - face masks will be compulsory while on the coach, boat and train. Face masks will be available for purchase from your tour leader for those who do not have supplies. Hand sanitisers with at least 60% alcohol will be available to travellers and staff at all times.

Adequate Travel Insurance

All tour travellers are required to show proof of adequate travel insurance before embarking on tour. Your policy of insurance is required to cover you and your party against the cost of cancellation by you; the cost of assistance (including repatriation - medical and non-medical) in the event of accident or illness; loss of baggage and money; protection against any Covid-related claims and other expenses.

Please Note: If you cannot provide proof of adequate travel insurance prior to the start of your tour, you will not be permitted to embark on day one.

These guidelines are subject to change as the global situation evolves. The enforcement of certain measures (i.e. social distancing and mask-wearing) will vary in different regions. Tour operators must defer to local health authorities for best practices in their region. It's your responsibility to check with your home country's policies on testing and post-trip self-isolation as well as the latest travel advisories.
