8 Days Iceland Northern Lights with Flights

About the holiday

Experience Iceland at a magical time of the year, when you're most likely to see the amazing Northern Lights!

Enjoy a walking tour of Reykjavik and two sightseeing excursions to witness the breathtaking aurora borealis, or Northern Lights. The lights are a natural phenomenon caused by the interaction of particles from the sun with the upper atmosphere near the Magnetic Pole and therefore sightings cannot be guaranteed. However, there are two great Northern Lights excursions included and if you don't see the lights on these nights, you are welcome to join a tour again during your stay, free of charge.

The rest of your time is free to explore at your leisure. You may wish to include visits to Iceland's stunning Geysir geothermal area, Gullfoss' spectacular waterfall and the Thingvellir National Park. Nature lovers are spoiled for choice with Iceland's many natural wonders, from glaciers to black sand beaches and lava caves, all waiting to be discovered.

Itinerary:

DAY 1, Depart for Iceland

Depart for Iceland. Board your aircraft for your overnight flights to Reykjavik.

DAY 2, Arrive in Iceland

Arrive in Reykjavik, the world's most northerly capital, surrounded by incredible landscapes and countless natural wonders. Make your own way from the airport to your hotel for your 7-night stay. Remainder of the day is free for you to explore.

DAY 3, Reykjavik Walking Tour

Today enjoy an orientation tour of Reykjavik as you walk to the city's sights with they local guide. The remainder of the day is free to explore on your own.

DAY 4, Northern Lights Tour

The day is free to discover more of this modern city. You may wish to spend time in the Old Town Centre, Parliament, the cathedral and the bustling harbor area. See Hofdi House, site of the 1986 Iceland Summit where Reagan and Gorbachev met to end the Cold War.

This evening the first Northern Lights tour will take you out of the city for the best possible view of the lights. The northern lights, also known as aurora borealis, are caused by the interaction of particles from the sun with the upper atmosphere near the North Pole.

The locations visited during the Northern Lights tour vary from day to day depending on weather conditions. Because this tour is weather dependent, sightings are not guaranteed. However, if you do not see any northern lights during this tour, you are welcome to join the tour again, free of charge.

DAYS 5-8 Reykjavik at your leisure

Your days are free to continue to enjoy exploring Reykjavik. It's also easy to arrange day tours, such as a scenic tour of the South Shore with its famous waterfalls, a day tour to the spectacular glaciers or an Icelandic Lava Cave tour. Let your My Travel Experience travel designer know if you'd like to pre-book the tours before you depart to make sure you don't miss out.

On one of the evenings, there is another included Northern Lights Tour that will take you out of the city for the best chance to witness the natural phenomenon.

DAY 9, Depart Iceland

Depart Iceland. Make your way to the airport to board your flights to Australia.

Please note: The day by day descriptions are intended as an indicative guide only. Travel by nature is unpredictable. Weather patterns, road conditions, public holidays, travel restrictions and many other factors may necessitate itinerary changes that are ultimately for the client's benefit.
