12 Days Iceland Northern Lights Tour & London

About the holiday

Iceland is wild, invigorating and a wonderful place to witness the amazing Northern Lights!

Embark on a thrilling adventure that includes guided tours of Iceland's stunning Geysir geothermal area, spectacular Gullfoss waterfall and the Thingvellir National Park.

Enjoy a small group tour to witness Northern Lights from Reykjavik and join a special Northern Lights boat tour. Keep in mind, the northern lights are a natural phenomenon and sightings cannot be guaranteed. However, there are three great Northern Lights excursions included during your week-long stay and if you don't see the lights during the first tour, you are welcome to join the tour again before your leave, free of charge.

Nature lovers are spoiled for choice with Iceland's many natural wonders, from glaciers to black sand beaches and lava caves, all waiting to be discovered.

Why you'll love this trip...

This amazing tour is the best-in-market for a Northern Lights experience

Local guides give you a great introduction to Iceland

Plus, enjoy a three-night stopover in the iconic city of London

Choose from central Reykjavik hotels & enjoy the comfort of Business Class flights!

Subject to confirmation by airlines, hotels, tour company & local operators.

Booking conditions & cancellation fees apply.

Call 1300 168 910 or email hello@mytravelxp.com for current prices

Itinerary:

DAY 1, Depart for Iceland

Depart for Iceland. Board your aircraft for your overnight flights to Reykjavik.

DAY 2, Arrive in Iceland

Arrive in Reykjavik, the world's most northerly capital, surrounded by incredible landscapes and countless natural wonders. Make your own way from the airport to your hotel for your 7-night stay. Remainder of the day is free for you to explore.

DAY 3, Reykjavik City Tour

Begin today with a light breakfast and orientation meeting at Harpa Concert Hall. Your discovery of this modern city begins with a drive past the Old Town Centre, Parliament, the cathedral and the bustling harbor area. See Hofdi House, site of the 1986 Iceland Summit where Reagan and Gorbachev met to end the Cold War.

Meals: Breakfast

DAY 4, Golden Circle & Northern Lights Tour

Explore several of Iceland's most famous landmarks on Golden Circle Direct as well as go on a search for the northern lights in one day. Begin the day at 12:30 with a Golden Circle tour, where you will visit Geysir geothermal area, Gullfoss waterfall and Þingvellir National Park.

Geysir is the place from which all other geysers in the world get their name. The famous Geysir does not often erupt anymore but the smaller, but very impressive, Strokkur erupts every 4-8 minutes and shoots a column of water up to 40 metres up in the air.

Gullfoss waterfall is a part of the glacial river Hvítá which gets its water from Langjökull glacier, the second largest glacier in Iceland. The step-waterfall is quite the sight, and from many viewpoints it looks like the waterfall falls straight into an abyss, but in reality, it falls into a crevice which is 32 metres deep.

The last stop of the day is at Þingvellir which is known for being one of the very few places in the world where you can see the North-American and Eurasian tectonic plates above ground (other places are all in Iceland). The park is a UNESCO world heritage site.

You will arrive back in Reykjavík around 18:30. You will have a few hours to spend before you join our Northern Lights tour.

The three-hour long Northern Lights tour will take you out of the city for the best possible view of the lights. The northern lights, also known as aurora borealis, are caused by the interaction of particles from the sun with the upper atmosphere near the North Pole. The locations visited during the Northern Lights tour vary from day to day depending on weather conditions.

Because this tour is weather dependent, sightings are not guaranteed. However, if you do not see any northern lights during this tour, you are welcome to join the tour again, free of charge. Indicated return times may vary if the activity is good.

Meals: Breakfast

DAY 5, Icelandic Lava Cave Tour

On this adventure, we visit the lava tunnel Raufarhólshellir located only 30 minutes from Reykjavík. We will witness the inner workings of a volcanic eruption while we walk in the path of a lava that flowed thousands of years ago. The lava tunnel is one of the biggest in Iceland and gets up to 30 metres wide and 10 metres high. The lava tube ceiling has caved in near the entrance, which creates beautiful columns of light. The fantastic range of colours of the tunnel wall is caused by the different mineral types of the rock. This is a tour for the senses. Experience a new world, hear the talk of the cave and sense the forces of nature like you have never done before. Learn new things and step out of your comfort zone. Scenes from the Hollywood movie Noah, with Anthony Hopkins, were shot in this lava cave. You walk around 350 metres into the lava tunnel and the temperature in the cave is around 4 degrees although it can be warmer outside and usually water leaks from the ceiling when it rains and snows so we recommend raincoats.

Meals: Breakfast

DAY 6, South Shore Tour

This South Shore Adventure tour is ideal for nature lovers of all kinds. We take you along the south coast of Iceland, one of the country's most scenic regions, as far as Vík, a charming village surrounded by high beautiful bird cliffs. South Iceland is special in that it is one of the flattest regions on the island. As a result, nearly all grain farming in Iceland is done there. The high mountains to the north, shield the area from the harshest northern winds.

Among the stops on this tour are the gorgeous Seljalandsfoss and Skógafoss waterfalls. Seljalandsfoss is part of the Seljalandsá river, which has its origins in Eyjafjallajökull glacier. What makes Seljalandsfoss so famous and interesting is that you can walk behind it. We suggest you bring either a raincoat or a waterproof coat along if you want to stroll behind it which we of course highly recommend.

Skógafoss, another famous Icelandic waterfall, is the starting point of the Fimmvörðuháls walk over to Þórsmörk. This most picturesque of all waterfalls is something of a film star, having been used as a backdrop in films such as *Thor: The Dark World* and *The Secret Life of Walter Mitty*. We will also stop at Reynisfjara black sand beach, with the Reynisdrangar rock formations and columnar basalt. It is one of the most spectacular beaches in Iceland but can be quite dangerous due to powerful sneaker waves, and we kindly ask guests not to go too close to the ocean and follow all guidelines. Additionally, we stop by Sólheimajökull glacier and walk up to a small lake that has formed in front of the retreating glacier.

Meals: Breakfast

DAY 7, Northern Lights by Boat Tour

Enjoy a day at leisure. This evening you will enjoy the Northern Lights by Boat Tour. This Seeing the Northern Lights at sea is an amazing experience; sailing away from the coastline of Reykjavík and seeing the auroras on the North-Atlantic with the city lights in the background is something you won't forget! Our expert guide will help you to search for the lights while telling you all about the science, legends and myths that surround this amazing natural phenomenon. There is a speaker system on board so you are welcome to wait inside our cafeteria enjoying a warm drink or watching our own Northern Lights video. When the guide sees the lights, they will announce it on the speaker system so everyone knows to head outside and look up! Our friendly crew takes photos on every tour that are available to download in the following days at no extra charge. They are also happy to assist with camera settings to give you the best chance of capturing the auroras.

Meals: Breakfast

DAY 8, Northern Lights Small Group Tour

Enjoy a day at leisure. This evening you will enjoy the Northern Lights small group tour. The northern lights, also known as the aurora borealis, are caused by collisions between particles from the sun with the upper atmosphere near the North Pole. In Iceland they are visible during the winter months, from late August to April, and appear in many different forms and colours although light green and pink are the most common. Why join a guided tour to see the northern lights in Iceland? Our northern lights team studies thoroughly the weather and aurora forecast in order to find the best location each night to spot the lights. While the lights can often be seen from the city, they are never as clear or magnificent when polluted by the city lights. Getting a warm ride to the best possible site for sightings is well worth it. The northern lights are an unforgettable sight to witness and should be enjoyed in the best possible conditions. This is a classic northern lights tour but in a smaller group. That means more time with your expert guide for help on photography and facts.

Meals: Breakfast

DAY 9, Depart Iceland, Fly to London

Make your way to Reykjavik Airport to board your flight to London. On arrival, make your own way to the hotel for your three-night stay.

Meals: Breakfast

DAY 10 & 11, Depart Iceland

The next two days are free to explore London at leisure. London, the capital of England and the United Kingdom, is a 21st-century city with history stretching back to Roman times. At its centre stand the imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations. Across the Thames River, the London Eye observation wheel provides panoramic views of the South Bank cultural complex, and the entire city.

DAY 12, Depart England & Fly to Australia

Check out of the hotel this morning and make your own way to the airport to board your flights to Australia.

Please note: The day-by-day descriptions are intended as an indicative guide only. Travel by nature is unpredictable. Weather patterns, road conditions, public holidays, travel restrictions and many other factors may necessitate itinerary changes that are ultimately for the client's benefit. It is essential that clients are flexible in this regard.

MY TRAVEL EXPERIENCE BOOKING CONDITIONS

Please read the following information prior to making your reservation

Our full set of terms and conditions can be [viewed and downloaded on our website](#), or supplied on request from our office. We highly recommend you read My Travel Experience booking conditions prior to making your holiday reservations. This is the contract under which both parties enter, therefore we request that you only make a booking if you agree with these conditions.

This is a summary in brief for our customers:

1. Upon making a reservation with My Travel Experience you will receive a booking form, which needs to be filled out and signed to confirm that you agree to the terms and conditions.
2. Your booking will then be confirmed to you in writing and you will be required to pay a deposit to hold your reservation.
3. At this time, you must take out travel insurance for your holiday to protect you against any unforeseen circumstances.
4. 90 days prior to departure you will be asked to make the balance payment for your trip (the exact due date for your travel supplier will be advised at the time of booking).
5. 10 days prior to departure you will be sent your travel documents via email.

My Travel Experience operates a Client Trust bank account. This means that we do not hold your money. We pay the ultimate travel providers (Suppliers) of your travel services the funds for your holiday. The Suppliers include airlines, tour operators, cruise lines, transport companies, hotels etc. We are required to pay the Suppliers deposits and final payments to secure your booking and in some instances these items are non-refundable.

If you wish to cancel you must notify us of your cancellation in writing. We will then write to the Suppliers to cancel your booking and request a refund (if applicable) for any elements of your holiday that are refundable. You will need to make an insurance claim for any travel arrangements that are non-refundable. If you have any issues during the refund or cancellation process, you have 30 days to contact our office in writing to lodge a complaint so an immediate resolution can be found for you.
