16 days Fly to Singapore & cruise to Brisbane

About the holiday

Don't miss out on this amazing cruise to Brisbane, including the flight and hotel stay to get you started in Singapore.

In Singapore, enjoy three nights at a central hotel to explore the cosmopolitan and vibrant city. Then board Royal Caribbean's impressive *Quantum of the Seas* and enjoy 12 nights cruising your way back to Australia. Enjoy full days exploring Lombok and Darwin. Stops en route to Brisbane also include Cairns - where the Great Barrier Reef or Daintree Rainforest are not far away, and beautiful Airlie Beach.

Quantum of the Seas first launched in 2014, but since then has been refurbished in 2019 and meticulously maintained, with its ground-breaking technology being far from outdated. One of the first things you'll notice is that cruisers can soar 300 feet above sea level in the North Star gondola attached to a mechanical arm. The thrills keep coming with one of only five skydiving simulators on Royal Caribbean ships. Plus, bumper cars, laser tag and trapeze school are on offer. As for entertainment, the Two70 interactive venue is one of the most technologically advanced spaces of its kind at sea, unique to Quantum and Quantum Ultra class ships. There are all the other amenities that you'd expect from Royal Caribbean, with delicious dining options, plenty of spaces to relax, world-class performances and spacious cabins with larger balconies than you'll find on other ships.

Why you'll love this trip...

- Board the worry-free Royal Caribbean cruise from Singapore to Brisbane
