Alaska cruise ports *(will vary depending on the cruise itinerary)*

Vancouver, B.C.

Between the colourful architecture of Chinatown and the Native American influences rooted in Totem Pole Park, Vancouver boasts a cosmopolitan of ethnicities. Hop on board a comfortable motorcoach to the ever-bustling Chinatown where you can sip freshly-steeped green tea or taste the rousing flavours of pork belly alongside refreshing sesame noodles. Or, settle down and unwind on the sandy shores of Stanley Park – Vancouver's very own oasis in the heart of the city – and revel in visions of expansive forestry and mesmerizing horizons. In Gastown, walk in the footsteps of bygone settlers as you wander down groomed streets and listen for the regal chimes from the steam clock each hour. With Vancouver at your fingertips, experience authentic European flair without ever leaving the Western hemisphere.

Sitka

Sitka radiates Alaskan history. The New Archangel Dancers – dressed in crimson skirts and patterned aprons – gallop and twirl across the wooden stage to the sounds of 18th-century folk music. Outside, festive fishermen cast their frayed nets into the open sea, eager to reel in delectable treasures amidst this sportfishing paradise. With artefacts aplenty, travel in the path of Alaskan ancestors through these enchanting grounds.

At Sitka National Historical Park - Alaska's oldest national preserve - observe seasoned artists as they carve, weave, bead and metal work together new masterpieces reflecting ancient Tlingit and Haida cultures. Visit St. Michael's Russian Orthodox Cathedral and marvel at the grand stained-glass windows, hand-painted biblical scenes and lustrous gold crosses that embellish the interior. Or, admire orphaned cubs as they meander through enclosed habitats at the Fortress of the Bear sanctuary.

Juneau

Rolling mountains – standing over 3,000 feet tall – overlook the still waters below, waiting for the majestic 20-foot Orcas to break the tranquil surface and make their grand debut. Meanwhile, the sweeping, 12-mile long Mendenhall Glacier rests nearby, slowly retreating under the steadfast sun.

Nothing about Juneau is small. From the gaping landscapes to the dignified wildlife, there's more than meets the eye in this unique port of call. Home to some of the largest gold mines in the world, Juneau has experienced its fair share of movement and continues to do so as the emblematic capital of Alaska. Relish in panoramic views of these precious lands atop Mount Roberts or immerse yourself in it all as you zipline through breathtaking elevations, dogsled along a trail and hike across serene meadows.

Haines

Visions of open roads and staggered mountains surround the tranquil town of Haines. This seemingly quiet port of call holds some of the most memorable and photo-worthy opportunities in the Great Land.

Feel the soft tickle of cloud-coloured fur as you get an up-close experience with Alaska's wolves. At Kroschel Wildlife Center, experience encounters with some of Alaska's furry residents – including bears, moose, foxes, and reindeer – like never before. Or, head to the Chilkat Bald Eagle Preserve to see over 200 of these classic creatures soaring through the crisp air and resting amidst undressed trees. However you choose to spend your time on land, walk away with unforgettable adventures and ever-lasting memories.

Ketchikan

Small white boats, with slender fishing reels suspended over the stern, float together in uniform lines off the coast of Ketchikan. As the "Salmon Capital of the World", this port of call harvests a collection of personalities, all yearning for the refreshing taste of salmon varieties. Fisherman donning nylon jumpsuits and rubber boots readily trot down the wooden pier to their aquatic abodes. Meanwhile, grizzly bears enrobed in chestnut-coloured fleeces meander through the shallow waters in search of their next meal.

Past the multi-coloured homes lining the tranquil shores lies an emblem of Ketchikan's antiquities – Totem Bight State Historical Park. Embellished in vibrant colours and chiselled faces, hand-carved totem poles stand tall around the replica Native clan house, inviting visitors to experience Alaska's past and present. Down on Creek Street, dollhouse-style homes line the wooden boardwalk inviting visitors to explore what's left of the city's red-light district days. With all that remains in this lively port of call, it's no wonder why Ketchikan is one of the most sought-after destinations in Alaska.

Alaska's ports of call offer unique adventures at every stop along your remarkable journey. From reeling in pink-bellied salmon to touring underground gold mines, there are endless opportunities to experience true Alaskan culture.
