Please note: The day-by-day descriptions are intended as an indicative guide only. Travel by nature is unpredictable. Weather patterns, road conditions, river water levels, public holidays, travel restrictions and many other factors may necessitate itinerary changes that are ultimately for the client's benefit. It is essential that clients are flexible in this regard.

Things to know before you go...

The currency of Egypt is the Egyptian Pound (EGP). Most major cities and towns in Egypt have ATMs and credit or debits cards are widely accepted in the tourist areas. If you plan to travel off the beaten track, be prepared to have cash for souqs, small meals and entrance fees.

Tipping

Known as 'Baksheesh', tipping is a natural part of daily life and is considered part of the traditional payment structure for services in Egypt. We recommend budgeting around 5-10 USD a day for tipping with estimation of a 10% tip at restaurant, taxis and the rest. Your Guide, Felucca Sail crew and Driver would also appreciate this kind of gratitude at the end of your tour or their service.
