11 Days Essential South Africa with Vic Falls

About the holiday

Experience the worry-free convenience of an escorted tour, with the freedom to explore on your own during this value-packed African adventure!

This tour offers a great introduction to South Africa, including animal viewing game drives and time to experience the city of Cape Town. A city tour will help you get your bearings and pick up local travel tips about Cape Town. Then during your free time in the beautiful city, there are plenty of optional tours available for those of you who are keen to see as much as possible during your stay.

Fly to Johannesburg and drive to Limpopo Province, where amazing game drives and animal viewing bring the thrill of being in Africa to life. You'll get to enjoy wildlife drives in open air safari vehicles. Early mornings and late afternoons are best, to avoid the midday heat when animals are at rest. This is your chance to look out for lion, leopard, cheetah, herds of elephant and buffalo, as well as incredible bird viewing opportunities on a breathtaking safari.

Return to Johannesburg for the flight to Victoria Falls, where you'll get to witness the magnificent World Heritage-listed waterfalls!

Note: The day-by-day descriptions published are intended as a rough guideline only. Travel by nature is unpredictable, weather patterns, game migrations, road conditions, public holidays, travel restrictions and a multitude of other factors may necessitate itinerary changes that ultimately are for the client's benefit. It is essential that clients are flexible and open minded in this regard.

Is this trip right for me?

This value program provides the comfort of an escorted tour, with the freedom to explore on your own. Minimal inclusions plus a variety of optional excursions allow maximum customization. This moderately active program is intended to offer an introduction to the two most South African experiences, animal game drives and the city of Cape Town. Game drives take place in the early morning and late afternoon to avoid mid-day heat when animals are at rest. Game drives will be performed by small, non air-conditioned safari vehicles. During this tour, you may come into proximity of wild animals whose actions can be unpredictable. Certain inherent risks are involved which should be considered at your own discretion. Additional optional sightseeing is available to enhance your holiday. While on safari, on the motor coach and at remote lodges, WiFi service is not available or extremely limited. Short power outages are a regular occurrence in Africa. Hotels in major cities are equipped with back-up generators so there are no interruptions to normal services, however hotels outside of major cities may have supplemental generators that provide electricity to only essential services.
