14 Days South Africa Small Group Safari & Flights

About the holiday

South Africa is undoubtedly one of the most interesting countries in the world. People from all over the globe flock to its shores for its natural beauty, wildlife, and sunshine. South Africa's immensely varied terrain supports a rich diversity of animals, birds, and plant life. It has an incomparable range of experiences.

The South Africa Explorer small group safari is a combination of the best of the best. This tour is guaranteed to depart, with two people or a maximum of just 10 travellers for a very personal introduction to this amazing African nation.

It all starts in Cape Town, travelling through the celebrated Garden Route and experiencing its warm hospitality, quirky towns and then on to Johannesburg. In Johannesburg, a historical insight into the country's apartheid struggle years and its liberation, is a fascinating and heart-wrenching narrative, a story that needs to be told.

A trip to South Africa would be incomplete without visiting the Kruger National Park, where wildlife encounters and open vehicle game drives will have the spirit of Africa coursing through your veins.

Why you'll love this tour...

- From Cape Town to Johannesburg, experience places that larger groups overlook
- This is an immersive journey into forests, wildlife sanctuaries, towns and villages
- Enjoy two days of game viewing in the Kruger National Park
- Experience the spectacularly scenic Panorama Route with visits to God's Window, Three Rondavels, Blyde River Canyon and Bourke's Luck Potholes
- It's a top-value trip, with flights included from Australia
