Chill out on the famous Waikiki beach, take an outrigger canoe ride to where the waves are breaking, visit Pearl Harbour or join an Oahu island tour. There are also great local restaurants and bars to enjoy - a couple of our favourites are Tikis Grill & Bar and oceanfront Hula Grill Waikiki. The options are almost endless and the fun is definitely non-stop!

Check out of the hotel this morning and if you're flying out today, make your own way to the airport in time for your flight.

Please note: The travel schedule is intended as an indicative guide only. Travel by nature is unpredictable. Weather patterns, ocean conditions, public holidays, travel restrictions and many other factors may necessitate itinerary changes that are ultimately for the client's benefit. It is essential that clients are flexible in this regard.

About Quantum of the Seas

Quantum of the Seas first launched in 2014, but since then has been meticulously maintained and the ship's ground-breaking technology is far from outdated. One of the first things you'll notice is that cruisers can soar 300 feet above sea level in the North Star gondola attached to a mechanical arm. The thrills keep coming with one of only five skydiving simulators on Royal Caribbean ships. Plus, bumper cars, laser tag, and circus school are on offer. As for entertainment, the Two70 interactive venue is one of the most technologically advanced spaces of its kind at sea, unique to Quantum and Quantum Ultra class ships.

There are all the other amenities that you'd expect from Royal Caribbean, with delicious dining options, plenty of spaces to relax, world-class performances and spacious cabins with larger balconies than you'll find on other ships.
