18 days Eastern Canada & Alaska Cruises with Flights

About the holiday

This spectacular Canada and Alaska journey takes you from East to West with two stunning Norwegian Cruise Line voyages!

Begin with flights to Boston, where you'll have two nights to explore the historic city in northeastern United States. A full day tour bus pass is included, so that you can see all the top landmarks, including Massachusetts State House, Boston Common, Beacon Hill and more.

From Boston, you'll board your first cruise for a magnificent 7-night New England and Canada voyage. Discover Maine's rugged coastline at Acadia National Park or stroll along the idyllic streets of Bar Harbour. From Sydney, Nova Scotia, travel back in time to the 18th century at the Fortress of Louisbourg - the largest fortified city outside of Europe - as costumed actors reenact this life during this era. Finally, dock in Quebec City, where you can enjoy the French-Canadian culture.

Following the cruise, fly west to Washington State and enjoy an overnight hotel stay in Seattle with a sightseeing tour. Then board the 7-night cruise aboard impressive *Norwegian Encore*. Witness amazing scenery and wildlife as you sail through the magical Inside Passage to the picturesque town of Sitka and Juneau, Alaska's remote capital. Then dock at Ice Strait Point, a small island and fishing village with options to go zip lining, wildlife watching or learn about Alaska's largest Tlingit community.

Another highlight will be the culturally-rich town of Ketchikan, with its towering totem parks and fun lumberjack show, and last stop is Victoria, on the southernmost point of Vancouver Island. Once the cruise docks back in Seattle, your flights back to Australia are included on this unforgettable package.
