Please note: The day by day descriptions are intended as an indicative guide only. Travel by nature is unpredictable. Weather patterns, river levels, road conditions, public holidays, travel restrictions and many other factors may necessitate itinerary changes that are ultimately for the client's benefit. It is essential that clients are flexible in this regard.

About Monarch Countess

The Monarch Countess is a first class river cruise vessel. Built in 2010, with a maximum capacity of 136 passengers, the ship features 64 spacious cabins and 4 suites. Each cabin is fully air conditioned with private bath facilities, shower, telephone, flat screen satellite TV, direct dial telephone, safe, individual climate control, hairdryer and mini-fridge.

Ship amenities include a bar-Lounge, restaurant, aft lounge, sundeck with jacuzzi, fitness centre, basic wi-fi throughout ship, 24/7 coffee and tea station.

French Balconies: A French balcony is a cruise industry term to describe floor-to-ceiling sliding glass doors. A railing is located directly outside of the door. It is not possible to "step" outside of the door onto a balcony landing.

Important to know

This moderately active trip covers a fair amount of ground each day. Expect from three to four hours walking every touring day. The pace is moderate, however you will encounter some uneven surfaces, stairs, steps and significant slopes. There is a potential for some sailings to be impacted by river water levels, or other factors which may impact safe navigation. This may cause part or all of the cruise itinerary to be operated by motor coach and may also involve hotel accommodations.

Docking: In some ports, where there are limited docks available for the number of visiting ships, you may find your ship docked adjacent to another and may have to walk across one or more other river cruise ships before reaching the dock area. Double and even triple docking, meaning that two or more ships are tied to one another for access to a single dock, is common practice. Views will be compromised and you will be obliged to pass through one or more ships to access the dock.
