Please note: The day-by-day descriptions are intended as an indicative guide only. Travel by nature is unpredictable. It is essential that clients are flexible in this regard.

About Diamond Princess

Diamond Princess was built in 2004 and most recently refurbished in 2017. She carries up to 2670 passengers and 1100 crew. As one of only two Princess ships built in Japan, it's not surprising this exotic gem can often be found sailing to the most intriguing destinations abroad. Freshly prepared sashimi compliments the ship's Japanese origin in Kai Sushi. Check out the street performers in the dazzling Atrium or take in a lavish production show in the state-of-the-art theatre. For a unique treat, visit the Izumi Japanese Bath, which is the largest of its kind at sea.

Kids have their own age divided areas: The Treehouse for kids 3 to 7 years, The Lodge for kids 8 to 12, and for teens, The Beach House. Adults can head off to enjoy rejuvenating spa treatments and an adults-only tranquil retreat, The Sanctuary. The theatre offers Broadway-style productions, from the timeless classics to more modern hits. The cigar lounge is a favourite amongst smoking cruisers. Other amenities include a fully equipped gym, Movies Under the Stars, several nightclubs, a casino, shops, freshwater pools, a sports court, an internet café, a library and much more.
